HON. COMMISSIONER OF PATENTS AND TRADEMARKS

SIR:

I, Hiroyuki SHIMBAYASHI hereby declare as follows:

Declaration created by:

Name: Hiroyuki SHIMBAYASHI

Address: c/o KANEKA CORPORATION

5-1-1, Torikai-Nishi, Settsu-shi

Title: Assistant Manager

Career: I graduated from the Faculty of Engineering at
Kansai University, earning a master's degree in March,
2001, joined KANEKA CORPORATION in April, 2001
and have been an employee of this company up to the
present time.

There were description errors in the evaluation results of the iron setting properties shown in Table 6 in the specification of the present application. The table shows that the iron setting properties were "Good", but actually the iron setting properties of Comparative Examples 1 to 3 were bad. These errors were made when the English specification for the PCT application was prepared, "Good" being copied and pasted erroneously.

I declare under the penalty of perjury of the laws of the United States of America that the foregoing is true and correct to the best of my information and belief.

Signed this March 8, 2010, at Osaka, JAPAN
